Hi LeAnn –

Sorry for the delayed response, I was out of town all last week and am just getting caught up. Your email must have come in after I left on Friday, but before my OOO message was activated. By this point, the 114 may have already been received (again, I have been out, so I don't have confirmation on the status), but regardless, our preference is to get the supplemental 114 rolling and not wait for a meeting. When you are able, send some dates along and we will get that scheduled.

Thanks,

Sarah

Thanks for the heads up. Any interest in having the call before it goes out?

Hi LeAnn – Just wanted to give a quick heads-up that the supplemental 114 information request for CRRM will be going out the door next week (though the exact date I don't know). I will be out of the office next week on work travel, so I will be able to check-in periodically on emails if you should need to reach me.

Thanks,

Sarah
